We would like to invite you to become a member of the Southwest Marine/Aquatic Educators' Association. Our mission is to provide a forum for informal and formal educators to develop and share strategies to encourage learning and stewardship of our marine and aquatic ecosystems.

Please take a moment to consider the benefits of annual membership:

- Levels of membership to suit your professional development
- Invitations and discounted registrations to Professional Development Seminars/Workshops for professionals and teachers
- Subscription to *SWMEA Connections*, an electronic quarterly newsletter that provides members with news updates from the membership, updates on events and workshops, educational resources and activities, and networking opportunities with fellow members.
- Free participation in the SWMEA Webinar Series and other regional and local SWMEA events
- Enrollment in the SWMEA email listserve

Become a National Marine Educators Association member at a discounted rate. If you become a SWMEA member and NMEA member at the same time, you will get a \$5 discount! If you already have a NMEA membership, you will need to renew your SWMEA membership separately.

Thank you very much for your consideration and support.

Sincerely,

Colleen Shipley
Treasurer/ Membership Chair

Name: _____ Title: _____

Institution: _____

Street Address: _____

City: _____ State: _____ Zip: _____

Day Phone: () _____

Email: _____

Please check one:
